Place of Incident:

Hallway Grandview Towers Apartment Complex.

Description of Incident:

Time: Approximately 8:48 PM

When we exited the apartment at a time we do not normally go outside, the maintenance employee immediately opened his door and stood watching us. While we were outside, he continued monitoring our movement.

When we returned and had not yet passed his doorway, he opened his door and began verbally confronting us about lease matters he does not have authority over. He stated we "cannot do this" and "cannot do that." He then repeatedly slammed his door multiple times.

This behavior triggered respiratory distress in Lisa English (COPD) and exacerbated PTSD symptoms for both of us.

List the names of all the people who were present during the incident. You must include your own name if you were present:

1. English, Lisa A
2. Unknown, Miguel
3. Rice-Velasquez, Cody James

Place of Incident:

Hallway Grandview Towers Apartment At My Door

Description of Incident:

Date: Approximately one week prior to February 19, 2026 (exact date to be confirmed)

Upon exiting and re-entering the apartment, the maintenance employee opened his door in direct timing with our movement. He monitored us and began confronting us about lease-related issues. His tone was aggressive. He slammed his door at least three times with significant force, causing loud reverberation in the hallway. Then moment later as Cody was tending to Lisa's acute health episode there was a fourth very loud slam of the door.

This incident caused distress and fear of continued confrontation.

List the names of all the people who were present during the incident. You must include your own name if you were present:

Hallway Grandview Towers Apartment At My Door

Description of Incident:

The maintenance employee came directly to Lisa English's apartment door and told her to "be quiet," despite there being no excessive noise. There were no loud activities occurring at the time. Normal apartment sounds do not carry into the hallway unless someone is standing directly in front of a door.

There was no excessive noise occurring at the time. This caused distress and fear due to the pattern of prior confrontations.

List the names of all the people who were present during the incident. You must include your own name if you were present:

2026-02-19_IR_STATEMENT_OF_SAFETY_CONCERN_AND_HARASSMENT

Date: February 19, 2026

Time of Incident: Approximately 8:48 PM

Address: 1000 Fulton Ave., Grandview Towers, Evansville, IN 47710

Unit #: 107

Reporting Party: Lisa English (Disabled tenant – COPD, PTSD)**Present Witness / Family Caregiver:** Cody Rice-Velasquez (Family member; provides overnight caregiving support during COPD exacerbations; does not reside at this address)-----**Summary of Concern**

We are reporting a pattern of escalating harassment and intimidation by the maintenance employee "Migul" who resides in this building in apartment 105 next to the unit of the reporting party.

On February 19, 2026, at approximately 8:48 PM, when we exited the apartment at a time we do not normally go outside, he immediately opened his door and monitored us. While we were outside, he continued watching. When we returned, and before we had passed his doorway, he opened his door and began verbally confronting us regarding lease matters that he does not have authority over. He then repeatedly slammed his door multiple times. This behavior appears targeted and timed to our movements.

This is not an isolated incident. On prior occasions, he has:

- Opened his door immediately when we exit or enter.
- Waited until we pass his door before confronting us.
- Berated us regarding lease issues.
- Aggressively slammed his door.
- Stated that he is "sick of her too," referring to Lisa English.
- We have been informed he previously assaulted another resident.

Disability Impact

Lisa English (COPD and PTSD) experienced respiratory distress requiring immediate calming and breathing intervention due to the aggressive confrontation tonight. Cody Rice has documented PTSD from prior abuse and the behavior is triggering. The combined effect has caused both of us to feel unsafe entering and exiting the apartment. Lisa English is now fearful of routine movement in and out of her home.

Access Concern

The individual involved is maintenance staff and has potential access to tenant units. Given the pattern of intimidation and the statement that he is "sick of her," this authority and access creates a heightened safety concern, though we are not alleging unlawful entry.

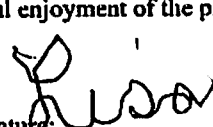

Request

We respectfully request:

1. Documentation of this incident.
2. Intervention to stop the harassment and intimidation.
3. Clarification of maintenance access procedures and safeguards.
4. Guidance on steps to take if the behavior continues.

This statement was prepared in writing to ensure clarity and accuracy due to PTSD-related stress. We are seeking safety and peaceful enjoyment of the premises.
